International Healthcare and Expatriate Insurance

One of the most important insurances for international families, employees, and expatriates is healthcare insurance. As an expat in Belgium it is necessary to protect yourself and your family against accidents and sickness.

We offer you the coverage of a Belgian mutuality together with a top-up plan so you can enjoy the quality and service of a total cover.

A world of care for expatriates

Do you have medical expenses during the first months of your stay in Belgium and you and your family are not yet registered? We offer a temporary solution until your registration is completed.

Key benefits of Medical Care insurance:

- Inpatient, outpatient and dental cover
- multilingual call center in 6 languages
- Online reply (fax, scan, mail) within 48 hours
- Possibility of cover without deductible
- Free choice of medical provider worldwide

We are specialized in international healthcare and other expatriate solutions, such as Pension, Life and disability cover. Our objective is to provide you with the best recommendations on products available on the market.
